- ♦ **Academic Services & Supports:** Provides intensive homework assistance, test prep and appropriate academic instruction using creative and engaging teaching strategies to enhance knowledge in Science, Technology, Engineering, Arts and Mathematics (STEAM)
- ♦ **Wyman's Teen Outreach Program (TOP®):** An evidence-based practice program that empowers teens to lead successful lives and build active communities. The program is designed to build healthy behaviors, life skills, and a sense of purpose.
- ♦ **Nutrition & Fitness Activities:** Nutrition education and cooking activities provided by Kids Can Cook delivered in a fun, effective and inclusive manner, utilizing the CATCH® curriculum. Fitness and sports such as tennis lessons, basketball and cardio workouts.
- ♦ **Cultural Arts Enrichment Activities:** Participate in fun cultural arts virtual field trips to different countries. Planned activities include: drama, arts & crafts, dance and spoken word classes.
- ♦ **Electronic Media Literacy:** Computer lab where youth are taught safe uses of electronic media and social networking to teach positive peer interactions
- ♦ **Success Coaching:** Case Managers work directly with the students' school and parents to track academic progress, discuss in-school performance and address behavioral patterns as they relate to both in-school, after-school, and home settings. Families are also provided assistance and resources.

Program funded by the Children's Services Council of Broward County
